March 2023

Dear Member,

### **NI Teachers' Pension Scheme (NITPS) – New Online Members' Portal**

A computer system which helps the Teachers' Pay and Pensions Team (TPPT) in Waterside House administer the Northern Ireland Teachers' Pension Scheme (NITPS) went live in 2020.

As part of the system, an online web-based portal for NITPS members is now available. Once you have created a portal account you will be able to amend your personal details, run a retirement quotation and view / print your Annual Benefit Statement (ABS). *Your 2023 ABS will be available on-line shortly.* An option to retire on-line will be introduced later in 2023.

**Please note that you must also continue to notify your employer of any change to your address.**

Details on how to register and access the online portal, are available on the Department of Education website [www.education-ni.gov.uk](http://www.education-ni.gov.uk) where you will find a [Registration Guide](#), the link to the portal <https://nitpsmembers.education-ni.gov.uk> and a [Frequently Asked Questions \(FAQs\)](#) document.

If you would like further information, please email [teacher.portal@education-ni.gov.uk](mailto:teacher.portal@education-ni.gov.uk).

Yours faithfully,

**Teachers' Pension System Project Team**
